MMA-109 (WF-04)

Along Commonwealth Ave., enter through the main gate of Ideal Subdivision at the southern side of the highway. Travel around 650 m S through Dona Carmen Ave. until reaching Don Ernestito St., then follow this street traveling 500 m W. Turn southward along Lyszt street about 250 m. At this point a mini dam or a water control structure is located just after Abelardo St.

From the center of the road, it is approximately 5 m W or 2 m E from the edge of the structure. The mark is about 10 m S from the northern base of the mini dam. Mark is the center of a hexagonal stainless steel bolt drilled at the western side of a mini dam.
